²⁰²³ For the ~~2022~~ Board of Review meeting

The Board of Review meets annually to hear any final objections to the current year's assessments. It is recommended that you contact the assessor to attempt to resolve any disputed assessment before making a formal appeal at the Board of Review. If you wish to enter a formal appeal, you must give notice of your intent to appeal by contacting the municipal clerk at least 48 hours before the Board of Review (BOR) begins. Please call the clerk at least 48 hours prior to the BOR to obtain an Objection Form and to make an appointment for the BOR. This form must be filled out in its entirety. Failure to provide 48 hours advance notice to the clerk may result in denial of a hearing at the BOR.

The BOR is a quasi-judicial body that operates like court. The BOR's function is to hear evidence and testimony for any formal objections to assessments and decide whether to uphold or change the assessment. Under state law, the BOR must presume the assessor's valuation is correct unless the objector provides sufficient evidence to overcome that presumption. If you do not take action at the BOR, this may result in the loss of any further appeal options for your assessment.
