The Westford Town Board held its December monthly meeting on December 7th, 2023 @ 7:00 pm at the Historic St. Anthony School, 32505 CTH "V", Cazenovia, WI 53924. The agenda was as follows:

5. Retirement of Rockweiler's from Germantown Sewerage District - Town to absorb duties of GSD. Need to notify townspeople. Rockweiler's will help anyone who wishes to help. Ann will be the go-to person at this point. Town will add an email for the sanitary dept. Communication will continue between us both to create a smooth transition. We thank the Rockweiler's for their hard work all these years.
6. Sale of Ma & Pa's gas station, impact on Town purchase (credit). We have an open account with Meyer oil where we can fuel our equipment until we speak with the new owners of the station.
7. Gary would like to open future discussions of "Participation of Town's employees in Wisconsin State Health Insurance plan." (At no cost to the Town, and not to current Board members in the current term; cost to be borne by employee.)
8. Reports by Supervisors, Clerk, Treasurer, Chair, and Foreman
Treasurer will have in person tax payment day on the 29th from 4-8or9. Accounts balanced. Tax bills were sent out.
Cy-Nothing to report
Nathan-Busy maintaining trucks and roads.
Gary-mentioned the trash can tops are hard to handle. Nathan will contact GFL and ask about tools to open and close them. RC County Sherriff would like to put a tower on our property. We are in discussions with them regarding details and liability. The township will have to build a storage shed soon and would need space to expand the garage or maybe a town hall in the far future. Therefore, there may not be room for a tower.
Ursula-showed the end of the year budget to the board.
9. Paid bills.
10. Closed session to discuss HR matters.
11. Adjourned to January 4, 2024

Note: Discussion and action may be taken on any of the agenda items.

Cy Motioned to approve, Frank 2nd. Passed Jan. 4th, 2024
